D. & P. L. 14 (DELTAPINE 14) FOUNDATION COTTON SEED

We are distributors for Ala. and Fla. for the
breeders, The Delta & Pine Land Company, of this
outstanding variety of cotton which averages 1 1/32-
inch to 1 1/8-inch staple and 39% to 44% lint. D. &
P. L. 14 was put on the market the 1942-43 season for
the first time. This year a selected stock of No. 14
is offered. It has outyielded the original by more
than 3%. All seed are DELINTED, CERESAN-
TREATED and sacked in METAL SEALED BAGS.
D. & P. L. leads at more Experiment Stations and is
used in more one-variety communities and on more
farms than any other cotton. Ask for the new "Del-
tapine 14" folder for further information. If you
want to make the most money, get started with D. &
P. L. 14. Get lined up with us now and get your
friends lined up. Book early to be sure of having
seed. Last year FOUNDATION D. & P. L. seed were
practically sold out by fall. The same thing is ex-
pected this year. The following prices are guaran-
teed for the 1944-45 Season, and you can save \$5.00
per ton by taking delivery during September and
October:

Per Bu. Per Cwt. Per Ton
F.O.B. Darlington, Ala. \$3.25 \$9.00 \$170.00

Later we will have a stock of D. & P. L. 14 with
Wittichen Transfer & Whse. Co., Birmingham, at
these same prices. Place all orders through our
Darlington office.

REMEMBER—IF YOU LIVE IN ALA. OR
FLA., NO ONE CAN SELL YOU FOUNDA-
TION D. & P. L. 14 COTTON SEED EX-
CEPT US AND OUR DEALERS. GET THE
REAL ARTICLE! LOOK FOR THE "PINE
TREE" ON THE BAG. IT IS NECESSARY
TO BOOK ORDERS SUBJECT TO AVAIL-
ABILITY OF SEED.
